

TOP NEW YORK CITY POWER AGENTS COMPLETE 22.5 HOUR RE-CERTIFICATION WITH ACE

Esther Muller's Academy for Continuing Education Fall Conference attracted an impressive number of real estate agents from numerous New York real estate brokerage firms. They met with the most knowledgeable industry leaders to learn the latest News, Views, and Current Real Estate Trends. In addition to receiving the New York DOS 22.5 credit hours for renewal of their license, it was also a fabulous opportunity to network.

The Academy for Continuing Education, co-founded by Professor Esther Muller, is noted for its most impressive roster of SuperStar Speakers, giving of their time and wisdom to edu-

cate the real estate community with the news they can trust.

Over 100 agents graduated at the close of the conference. Each attendee received a copy of Esther Muller's book *Tips from the Tops*. The Academy has graduated over 4000 students to date.
